Summary

I am a dedicated computer enthusiast and I believe that greatness comes from small beginnings. I am passionate about continuous learning and skill development within the tech industry. My strong work ethic and keen attention to detail enable me to effectively develop robust systems. I am a proactive problem-solver who thrives on challenges and is always eager to explore innovative solutions.

Skill Highlights

- Strong decision maker
- Adapt problem solver
- Flexible learner
- Creative designer
- Socially perceptive
- Detail-focused

Education

- 3 years of [Software Development](#) in CTU Training Solutions
- Computer Applications Technology in Holy Trinity Secondary Catholic School

Relevant Courses

- Programming In C# (PRG522), Advanced Java (JD522), DevOps Engineering (DOE522), Solutions Development with ASP .Net MVC (SLD521), Basic Programming with Python

Technical Skills

Programming Languages

- C#
- HTML, CSS, JavaScript
- Java
- Python

Frameworks and Libraries:

- Java Swing
- .NET Framework
- Android SDK

Microsoft Office:

- I have knowledge in working with Microsoft Applications such as Word, Excel, Access, PowerPoint.

Static Web Development

- Developing static websites using HTML / CSS / JavaScript.

GUI Application Development

- Developing GUI Java applications using Java Swing NetBeans
- Developing GUI Windows applications in WinForms (C#)
- Developing Mobile Android applications using Android SDK

Database Development

- Implementing and maintaining SQL databases using MySQL / SSMS (SQL Server Management Studio) / SQLite

Certifications

- 98-383: MTA: Introduction to Programming using HTML and CSS
- 98-382: MTA: Introduction to Programming using JavaScript
- 98-381: MTA: Introduction to Programming using Python
- Microsoft Azure Fundamentals

Interests

- I enjoy creating software applications that simplify complex problems and bring convenience
- I am interested in the cutting-edge developments in technology, particularly the newest systems and gadgets
- I enjoy building and optimizing computer systems
- I enjoy listening to educational and knowledge-driven podcasts
